The screenshot shows a search results interface. On the left, there are two sections: 'Refine your results' and 'Source Types'. The 'Refine your results' section includes checkboxes for 'Full Text', 'Scholarly (Peer Reviewed) Journals', and 'Image Quick View'. Below these are input boxes for '1968' and '2010' under the label 'Publication Date', and a horizontal slider. An 'Update' button is located below the slider. The 'Source Types' section includes checkboxes for 'All Results', 'Periodicals', 'News', 'Books/Monographs', 'Reports', and 'Biographies', with an 'Update' button below. On the right, search results are displayed for 'Academic Search Premier' and 'Hospitality & Tourism Complete'. Two callout boxes provide instructions: one points to the date slider and 'Update' button, and the other points to the 'Source Types' section and its 'Update' button.

To refine your results by DATE, move this slider and wait for the popup date window. Then click the UPDATE button.

To refine your results by SOURCE, check a type and wait for the popup window. Then click the UPDATE button.

The screenshot shows a search results page with a 'Relevance Sort' dropdown menu open. The menu options are 'Date Descending', 'Date Ascending', and 'Relevance'. A callout box points to the 'Date Descending' option. Below the menu, a search result is visible for 'Teens' magazine, including the author 'Monique. Young A' and the title 'Fashion Reha'. The callout box contains the instruction: 'To sort your results - use Date Descending to get the most recent articles first.'

To sort your results - use Date Descending to get the most recent articles first.
