The TP Library has subscribed to a number of magazines and IEEE transactions from the IEEE Computer Society. These resources are:

- IEEE Transactions on...
 - ⇒ Computers
 - ⇒ Mobile Computing
 - ⇒ Pattern Analysis & Machine Intelligence
 - ⇒ Visualization & Computer graphics
- Magazines...
 - ⇒ Multimedia

Access the IEEE Computer Society database from the TP Library website at <http://library.tp.edu.sg> and login to start searching.

Advanced Searching

As a staff member you can perform a Quick Search on all the magazines, transactions, letters and proceedings in this resource, but **students** should prefer the **Advanced Search** option.

Note: Booleans Explained...

mobile AND apps
- results with BOTH terms

android OR iphone
- results with EITHER terms

android NOT iphone
- results with ONLY 1 term

The screenshot shows a search interface with the following sections:

- Search For:** A text input field containing "mobile apps" and a dropdown menu for "Appearing in:" set to "Full Text".
- Optional Parameters:** Radio buttons for "and", "or", and "not", with "and" selected. A text input field containing "android OR iphone" and a dropdown menu for "Appearing in:" set to "Full Text".
- Date Range:** Dropdown menus for "Any Month", "- Any Year -", "to", "Any Month", and "- Present -".
- Sort by:** Dropdown menus for "Relevance" and "Descending", and a "Results Per Page:" dropdown set to "10". A "Search" button is located to the right.
- Search In:** Radio buttons for "All Content", "Only the following", and "My subscriptions", with "My subscriptions" selected and highlighted by a red box.
- Magazines:** A list of search filters including "Annals of the History of Computing" and "IEEE Transactions On Computers".

Searching

- 1) Enter your keywords or search terms and Booleans
- 2) make sure the option for *My subscriptions* has been checked (feel free to change any of the other search options should you need them)
- 3) Click on the Search button to begin your search.

Read, Print, Save

From the list of your search results, you will have the following options:

- Select the **HTML** link to read the article. From here you can use the browser option (right click) to print or save.
- Select the **PDF** link to read the article as it was originally published. Use the Adobe Acrobat Reader options to print or save.
- Select the **Abstract** link for a summary, a list of references used in the article, some more search terms, and the IEEE citation.
- The **More Like This** link will find more articles for you on the same topic.

Note: no HTML or PDF links for the article means there is no full text attached for you to read.
